

Due to the unwanted and invasion of privacy that is promoted by the advertizers calling at all times of the day and night, I ask that you do not weaken the NO CALL LIST in Wisconsin. Since this law has been in effect the number of invasive and unwanted calls has been cut up to 90%. I have virtually stopped having to answer unwanted phone calls. I would like to keep it this way. I don't think anyone has the right to harrass people whether they have been a former customer or not. Please leave our law as it is.
